EDISON RECITAL

AND DEALERS MEETING IN ST. LOUIS—ONE OF THE GREAT EVENTS OF CLOSING OF EDISON WEEK.

Interesting Addresses Made at Gathering and Luncheon at Majestic Hotel—Some Interesting Addresses.

St. Louis, Mo., November 5.—The Anna Case tone test recital and dealers' meeting held by The Silverstone Music Co., as a finale of the Edison Week observance proved to be a most enjoyable and profitable affair. The day began with an address of welcome by Mark Silverstone, and next came a personal message from Mr. Edison, delivered through E. C. Boykin. V. E. B. Fuller, also from the laboratory, delivered a talk on tone tests, which included some extremely practical advice for dealers who are contemplating this feature. This was followed by a general discussion, in which Mr. Silverstone got most of those present to participate. A luncheon was served at the Majestic Hotel, and it was arranged that no time was lost from business there.

At 2 p. m. the session again convened, and Mr. Silverstone talked on "Salesmanship." J. E. Marks, of Marks, Weber & Co., Edwardsville, Ill., talked on "My Experience with the Edison." The discussion was cut off just in time for the dealers to go to the Columbia, a high-class vaudeville house, where Mayo & Tally were including a tone test in their act. Then the dealers were given a rest until 6:10, when they met at the Elks' Club for a banquet. This lasted until they all went to The Victoria Theater, where the tone test recital was held. As has been the case with the other tone tests, the fire department finally closed the doors because the 2,500 permitted in the house were already there and scores were turned away.

Mr. Silverstone was master of ceremonies at the tone test and opened the program with a graceful tribute to Mr. Edison, which was several times interrupted with applause. The tone test with Miss Case was perhaps the most successful of any held here. She was in good voice and entered into the spirit of the occasion. She alternated with the machine as the occasion offered, and in "The Song of India" the lights were turned out and were turned on to show that she had left and none knew when she had stopped singing. The test was successful, too, in interesting the newspaper critics, and fine comment was obtained from each of the five leading dailies, some of them signed by the critics. That by Homer Moore, of the Republican, who is widely known as a critic, says in part:

"Mr. Silverstone is, by these concerts, contributing very largely to the advancement of musical taste and interest in this city. Doubtless many went to the performance last night out of curiosity, but that element soon gave place to genuine enjoyment of the program. The problem of music in the home is solved when the singing of the greatest artists is made possible by an instrument that does not betray itself in the very presence of the artist himself."

A MAYSVILLE INQUIRY

Answered By the State of a Maysville Resident.

When first the long series of reports of Maysville people who have been relieved by Doan's Kidney Pills were published in the local press, great enthusiasm and interest were aroused. But Maysville is now inquiring "How are these people keeping today? How has the benefit they received withstood the test of time?" For that, after all, is the essential test of a cure. On this point doubt can no longer exist, for after many years those who have been cured, emphatically declare their cures to be lasting.

Frederick Dresel, 1238 E. Second St., Maysville, says: "I was troubled with inflammation of the bladder and an annoyance from my kidneys. The passages of the kidney secretions were irregular and I had a severe pain across the small of my back, which interfered with my duties. I got Doan's Kidney Pills at Wood & Son's Drug Store and one box gave me prompt relief."

NO TROUBLE SINCE OVER THREE YEARS LATER, Mr. Dresel said: "I haven't had any kidney trouble since I used Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dresel has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
